

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Since Sinclair uses our public airwaves free of charge, it is obligated by law to serve the public interest. It is doing just the opposite!

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard.

It is up to you, the FCC, must take responsibility to stop these encroachments on a democratic process!!

Thank you.
